Staff Council Member Spotlight

My name is Cris Stevens and I am the Coordinator for the MSU Welcome Center and Cullis & Gladys Wade Clock Museum, as well as the advisor to Maroon VIP, our student organization that conducts tours. I graduated with my associate degree from the former Wood College before I started working at MSU. Since becoming employed here I have had the privilege of gaining my bachelor and master's degrees from this great University by taking advantage of the tuition remission benefit offered.

I have been a member of Staff Council for 3 years and am currently serving as the Events Committee Chair. It has been great getting to work with, and getting to know, so many outstanding MSU employees. After the last couple of years of interaction being limited or virtual due to COVID, it has been especially nice this fall getting to see people. We recently had a very successful biscuit give away and t-shirt sale and I look forward to upcoming events we have planned to support our staff, including Staff Appreciation Day that will be held live again in the Spring. I enjoy reading, spending time with my family, traveling, and floating in the water.

Staff Council General Meetings & Minutes

Staff Council's next general meeting will be held on Wednesday, November 10, 2021 at 10:30 AM in the Sanderson Center Conference Room.

Staff Council meetings are open to all staff members. Each month the Staff Council meeting minutes are posted to the website at <https://www.staffcouncil.msstate.edu/meetings-minutes>
